It's good  
for YOU  
and it's  
good for  
Business!

A fun &  
rewarding way  
to participate  
while gaining  
rewards along  
the way.

1. Any Chamber member in good standing can participate in the Chamber REWARDS program.
2. Any "referred" business, organization or individual is not considered a Chamber member until paperwork and dues have been received and processed.
3. In order for "referring" Chamber member to receive proper credit and acknowledgment of "referred" potential member, paperwork submitted for membership must be presented with referred member's name. Members processed without this information will not count towards the referral program points.
4. The Chamber REWARDS Program is for NEW MEMBERS only. The referral program will NOT COUNT towards businesses who are already Chamber members up for renewal.
5. Trade or barter agreements will not count towards the "referring" members points.
6. Any Chamber member participating can opt to receive their rewards based on levels obtained or accumulate their points to reach the optimal prize.
7. Once a "referred" business, organization or individual has become a Chamber Member, the DeKalb Chamber will notify the member who qualifies for the rewards points.
8. Each month, the member who refers the most new memberships becomes the 'Member of the Month'. Their logo and a link to their website will appear on the DCC website and recognition will be included in an email blast.
